Breakfast Program

With the gracious donations of money that we have received from various community groups we have been able to start up a breakfast program at our school.

Wellness

On February 8th students and staff will be having cheese and crackers in support of Healthy Eating.

National Sweater Day

February 9th is National Sweater Day. This event is sponsored by WWF Canada in order to develop awareness of climate change and its impact on the environment. Gagetown will compete to see which class wears the most sweaters. So dig out those Christmas sweaters from granny and proudly wear them to school to Thursday, February 9th. For more information, visit <http://www.sweaterday.ca/>.

100th Day

On Monday, February 10th we will be celebrating the 100th Day of School. In the morning all K-5 students will be taking part in fun, hands-on learning experiences centered around math and the number 100. The grade 6-8 students will be providing leadership for these activities as they will be responsible for running the various math centers. After recess, we hope to have a very special surprise guest to top off our 100th Day Celebration! Stay tuned for more details.

THE BEST PART OF ME

My Hands

The best part of me is my hands. They help me plant seeds in the garden. They even help me do arts and crafts. Hands can also help me write. My hands also help me pick up cans. My hands can even help me pull the covers over my head when I'm scared. My hands help me eat ice cream and strawberries. I even like my hands because I can wear rings and nail polish!

THE BEST PART OF ME

My Nose

The best part of me is my nose because at my friend Donna's house, I can smell what we are having for supper. I can smell a lot of things with my nose. I can smell how good my clothes smell when they came out of the dryer. I love my nose because I can smell the flowers that my Mom and I put in the ground!

Carl

Grade 2

My Legs

The best part of me is my legs because I can run and jump and I can stand still too. I can wiggle my legs. I have big muscles in my legs. My legs help me swim.

Sage

Grade 1

My Eyes

The best part of me is my eyes because I can see where I am going. If I didn't have any eyes, I wouldn't see what I am reading. I wouldn't see my Pokemon cards or my DSI. That is why my eyes are so important.
